**WHEREAS** the Administrator, under the provisions of the Fisheries and Coastal Resources Act, S.N.S. 1996, Chapter 25 (the "Act") and the Aquaculture Licence and Lease Regulations (the "Regulations"), is authorized to renew aquaculture licences and aquaculture leases;

**AND WHEREAS** pursuant to the Act the Lessee was issued Aquaculture Lease No. 0147 on February 12<sup>th</sup>, 2014 for a term of five years from September 24<sup>th</sup>, 2012 to September 25<sup>th</sup>, 2017;

**AND WHEREAS** the Lessee wishes to renew aquaculture Lease No. 0147;

**NOW THEREFORE** in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. The Administrator hereby grants to the Lessee a lease to use a 8.93 hectare area located in the body of waters known as Lennox Passage, Richmond County, more particularly described in Schedule "A" attached to and forming part of this Agreement (the "site") for the suspended cultivation of Blue mussel (*Mytilus edulis*) and Giant sea scallop (*Placopecten magellanicus*).
2. The term of this lease shall be for 20 years commencing on the 25<sup>th</sup> day of September 2017, to the 25<sup>th</sup> day of September 2037 with the right of renewal, in accordance with the terms of the Act and the Regulations.
3. The Lessee shall pay to the Minister of Finance and Treasury Board an annual fee as set out in the Regulations. The annual payment must be received by the anniversary date of the lease. Late payments are subject to a fee as set out in the Regulations.
4. The undertakings set out in Schedule "B" to this lease (the "undertakings"), form part of this Agreement, and the Lessee hereby agrees to comply with any conditions or limitations contained in the undertakings unless compliance for leasing purposes is expressly waived by the Administrator. The Lessee is responsible for confirming any undertakings and ensuring compliance with them.

5. Except to the extent restricted by an enactment or this lease, the Lessee has, for aquacultural purposes, the exclusive right to use the leased sub-aquatic lands and water column.
6. The Lessee agrees to comply with any permits, protocols, approvals, licenses or permissions (the "licensing requirements") which may be required under the laws of the relevant municipality, the Province or Canada. The Lessee is responsible for confirming any licensing requirements and ensuring compliance with them.
7. This lease must not be assigned without the written approval of the Administrator. If the Lessee is a corporation, any change in the right to control the corporation shall be deemed to be an assignment.
8. 9. The Lessee must adhere to the Farm Management Plan, as it is in effect for this lease from time to time, and any failure to adhere to the Farm Management Plan is a breach of this lease.
10. This lease does not include any rights as to minerals in or on the site.
11. The Lessee shall submit to the Minister of the Nova Scotia Department of Fisheries and Aquaculture (the "Minister") an annual report stating such information as the Minister requires concerning the Lessee's use and the productivity of the site.
12. Following the completion of a performance review, in accordance with the Regulations, of the aquaculture operation subject to this lease, the Administrator may vary any terms or conditions of this lease in order to address any concerns raised in the performance review.
13. The Lessee is hereby prohibited from using the site in any way that would interfere with other leased aquaculture operations.
14. If the Administrator, in his or her sole discretion, is of the opinion that the aquaculture activities authorized by this lease are detrimental to or interfere with other leased facilities, the Administrator may revoke this lease without compensation.
15. The Administrator may revoke this lease without advance notice or compensation if the Lessee is found by a court of competent jurisdiction to be in violation of any law of the Province or Canada relating to fishery activities.
16. If the Lessee fails to perform any of its obligations under this lease, the Minister may have the obligations performed, with the amount of any costs incurred to be a debt due to Her Majesty, for which Her Majesty shall have a first priority charge on the aquacultural produce within the site.
17. If the Lessee is in breach of any term of this lease and such breach is not corrected within the time period set out in the notice from the Administrator, the Administrator may revoke this lease without further notice or compensation.
18. Should it become necessary for Her Majesty to expropriate the Lessee's rights under this lease, it is hereby agreed that the value of the lease for purposes of expropriation compensation shall not exceed the depreciated value of improvements made by the Lessee that cannot be removed from the site. No compensation may be claimed for the cancellation of this lease where compensation is paid or payable in relation to the expropriation of a lease for the same site.

19. Any notices required to be given under this lease may be sent by regular mail to the parties at their addresses set out in the heading of this Agreement, and notice will be deemed to have been received by the intended recipient thereof five business days from the date on which the notice is post-marked. 20. Nothing in this Agreement shall be taken as a warranty by the Administrator that the site may be used now or in the future by the Lessee for aquaculture purposes. The Minister assumes no responsibility whatsoever for any private property rights or for the actions of other levels of government which may interfere with the use of the site for aquaculture purposes.
