14. The Lessee is hereby prohibited from using the site in any way that would interfere with other leased aquaculture operations.
15. The Lessee is hereby aware that the placing of an anchor or driving of stakes, within the bottom-cultivation portion of the site by persons other than the Lessee, provided such are included in legitimate operations incidental to fishing for or catching any kind of fish other than Blue mussel, American oyster, Giant sea scallop and Bay scallop, and that placing of buoys or stakes by the proper authorities, for navigation purposes, shall not be deemed as interference with the proper cultivation of the site by the Lessee.
16. If the Administrator, in his or her sole discretion, is of the opinion that the aquaculture activities authorized by this lease are detrimental to or interfere with other leased facilities, the Administrator may revoke this lease without compensation.
