

Bird Survey Data Hwy 113 (Surveyor - Fulton Lavender)

June 23/08 (Survey 3) conducted 4:30 to 2:45 PM

Weather: foggy in morning then partly sunny, winds calm increasing to 15-20 km/h, temperature increasing throughout day 15-23°C

MCBA	At-risk Status	Common Name	Species	Nesting Period*	B0	B1	B2	B3	B4	B5	B5b	B6	B7	B8	B9	B10
Y	No	Alder Flycatcher	<i>Empidonax alnorum</i>	Mid-June – mid-Aug.							3	2		1		
Y	No	American Black Duck	<i>Anas rubripes</i>	Apr. – July	3										13	
NSWA	No	American Crow	<i>Corvus brachyrhynchos</i>	Apr. – July			1			1		2		4		
Y	No	American Goldfinch	<i>Carduelis tristis</i>	Late June – mid-Sept.	6		1	4		1	4	1	2			
Y	No	American Robin	<i>Turdus migratorius</i>	Late Apr. – mid-Sept.		1	3	6				1	3	20	4	
Y	No	American Woodcock	<i>Scolopax minor</i>	Mid-Apr. – late May										3		
Y	No	Bay-breasted Warbler	<i>Dendroica castanea</i>	June – July			1									
Y	No	Belted Kingfisher	<i>Ceryle alcyon</i>	May – June					1							
Y	No	Black-and-White-Warbler	<i>Mniotilta varia</i>	Early June – mid-July	1		1		1	2						
Y	No	Black-capped Chickadee	<i>Parus atricapillus</i>	Early May – mid-Aug.			1		3	2	2	1	2	20	2	
Y	No	Black-throated Green Warbler	<i>Mniotilta varia</i>	Early June – mid-July		3	2		1	5	2	1		2	1	
Y	No	Solitary Vireo (Blue-headed)	<i>Vireo solitarius</i>	Late May – late July	1	2	2	2		1		2	1	1	2	3
NSWA	No	Blue Jay	<i>Cyanocitta cristata</i>	Early May – mid-July	1		1			1			2	3		
Y	No	Brown Creeper	<i>Certhia americana</i>	Mid-May – early July										5		
	NSDNR Sensitive COSEWIC Threatened	Canada Warbler	<i>Wilsonia canadensis</i>	Early June – mid-July							1			1		
Y	No	Cedar Waxwing	<i>Bombycilla cedrorum</i>	Mid-June – early Sept.	1							1			2	
NSWA	No	Common Grackle	<i>Quiscalus quiscula</i>	Late Apr. – July									1			
Y	NSDNR Sensitive	Common Loon	<i>Cavia immer</i>	May – Aug.										2		
Y	No	Common Merganser	<i>Mergus merganser</i>	Early May – mid-Aug.							1					
NSWA	No	Common Raven	<i>Corvus corax</i>	Mar. – June									1			
Y	No	Common Yellowthroat	<i>Geothlypis trichas</i>	Late May – late July		2			2		8		2	1		
Y	No	Dark-eyed Junco	<i>Junco hyemalis</i>	Early May – late Aug.	2	2	1	3	3	6	4	4	8	15	4	
NSWA	No	European Starling	<i>Sturnus vulgaris</i>	Late Apr. – July									4			
Y	No	Golden-crowned Kinglet	<i>Regulus satrapa</i>	Early May – mid-July				4			2			15	1	
Y	No	Hairy Woodpecker	<i>Picoides villosus</i>	Early May – early July					2		4					
Y	No	Hermit Thrush	<i>Catharus guttatus</i>	Mid-May – late Aug.		1			1	5	1	10	6	30	10	
Y	No	Lincoln's Sparrow	<i>Melospiza lincolni</i>	June – July									1			
Y	No	Magnolia Warbler	<i>Dendroica magnolia</i>	Early June – late July		1	2	3		4	12		3	25	10	
Y	No	Mourning Dove	<i>Zenaidura macroura</i>	Early Apr. – mid-Sept.					1	1		2	6	3		
Y	No	Nashville Warbler	<i>Vermivora ruficapilla</i>	Late May – late July	1		1						2			
Y	No	Northern Parula Warbler	<i>Parula americana</i>	Late May – early Aug.		1	1			1						
	NSDNR Sensitive COSEWIC Threatened	Olive-sided Flycatcher	<i>Contopus borealis</i>	Mid-June – mid-Aug.							1					
NSWA	No	Osprey	<i>Pandion haliaetus</i>	May – July	2		2	2								
Y	No	Ovenbird	<i>Seiurus aurocapillus</i>	Mid-June – late July		4	1			2	2					
Y	No	Palm Warbler	<i>Dendroica palmarum</i>	Mid-May – late July							10		8			
Y	No	Pine Siskin	<i>Carduelis pinus</i>	Late Apr. – early Aug.							2					
Y	No	Purple Finch	<i>Carpodacus purpureus</i>	Early June – mid-Aug.	2		1				6				1	
Y	No	Red-breasted Nuthatch	<i>Sitta canadensis</i>	Mid-May – late July	1					1						
Y	No	Red-eyed Vireo	<i>Vireo olivaceus</i>	Early June – early Aug.	1	1	1			1			4			
Y	No	Ruby-crowned Kinglet	<i>Regulus calendula</i>	Mid-May – early July			1	1		1				1		
Y	No	Ruby-throated Hummingbird	<i>Archiochus colubris</i>	June – July			1									
Y	No	Song Sparrow	<i>Melospiza melodia</i>	May – Aug.			1	1		1		1	3		2	
Y	No	Swainson's Thrush	<i>Catharus ustulatus</i>	Late May – late July			1			2	2	1		5	2	
Y	No	Swamp Sparrow	<i>Melospiza georgiana</i>	Late May – mid-July	2											
Y	No	Tree Swallow	<i>Tachycineta bicolor</i>	May – July							1					
Y	No	White-throated Sparrow	<i>Zonotrichia albicollis</i>	Mid-May – mid-Aug.	2			3	2	2	6	5	4	5	5	
Y	No	Winter Wren	<i>Troglodytes troglodytes</i>	Mid-May – late July							3	5	2			
Y	No	Wood Duck	<i>Aix sponsa</i>	May – Aug.											1	
Y	No	Yellow-bellied Flycatcher	<i>Empidonax flaviventris</i>	Mid-June – early Aug.		2			1	1	1	1		10	4	
Y	No	Yellow-rumped Warbler	<i>Dendroica coronata</i>	Mid-May – early June	2			8			3		6	10	2	
Y	No	Yellow Warbler	<i>Dendroica petechia</i>	Late May – July				1								

Notes:

NSWA – Nova Scotia Wildlife Act protected species

SARA – Species at Risk Act

NSESA – Nova Scotia Endangered Species Act Legally Listed Species

NSDNR – Nova Scotia Department of Natural Resources General Status Ranking

COSEWIC - Committee On the Status of Endangered Wildlife in Canada assessed species
